Firewood Movement in Wisconsin

Two quarantines affect firewood movement by the public: one for the **gypsy moth** and one for **emerald ash borer**.

Loggers, timber haulers, and sawmills are regulated. The inspections and certifications they receive to move hardwood firewood **ARE NOT** available to the general public.

Firewood on state properties

- DATCP-certified firewood can be used at any WI State Park.
- You can bring firewood to state campgrounds if it was harvested within 10 miles and obeys the **permitted list** above.
- Firewood from quarantined areas in other states is not allowed into non-quarantined counties of Wisconsin.
- If you are driving with firewood between two permitted areas but through a RED or GREEN quarantine area, limit your stops to the amount of time it takes to refuel your vehicle.

If visiting a private, county, or municipal campground, call ahead to your destination for specific firewood policy information.
